WASTEQUIP PRODUCT LIMITED WARRANTIES, DISCLAIMERS OF WARRANTIES, LIMITATION OF LIABILITIES AND REMEDIES, AND LIMITED WARRANTY PERIODS

Galbreath is a wholly owned Wastequip Company. Wastequip warrants only Products of its manufacture that are sold by Wastequip or by a Wastequip authorized distributor, for normal and intended use and service and for specific periods against operational failure caused by proven defective material or workmanship. Wastequip's obligations under this warranty are limited to the repair, replacement or credit, as hereinafter provided at its option, of such Product and/or parts and components thereof. For products, parts and/or components manufactured or supplied by other parties (including but not limited to engines, motor vehicles, special equipment, accessories, tires and fittings), Wastequip shall endeavor to provide such third-party manufacturer warranties, as applicable and to the extent such warranty is transferrable or assignable. All express or implied warranties are limited to those expressly provided herein; and Wastequip makes no other warranty or other duty of its own on any Product, including those warranted by any such third party, and expressly disclaims and does not obligate itself to any warranty on any Product, unless it delivers to Buyer a separate written certificate specifically warranting the Product. Buyer's must complete a Product Warranty Registration Form, where applicable (retaining a copy for Buyer's records) and provide proof of purchase or ownership.

Specific warranty periods are listed herein. Repair or replacement does not extend the warranty beyond the original period, and repaired or replaced parts are warranted for the balance of the original warranty period for the original part. Some states do not allow limitations on how long an implied warranty lasts, the exclusion or limitation of incidental or consequential damages, and any such limitations will conform these Wastequip warranties thereto (Buyers may also have other specific rights which vary from state to state)

Wastequip does not warrant or make any representations concerning Product when the Product is not installed and/or used in strict accordance with good installation, service and maintenance practices or operating instructions. Wastequip does not warrant Product that has been altered, disassembled or re-designed; improperly installed, serviced, maintained, handled or repaired; combined with unapproved non-Wastequip products without Wastequip authorization; contaminated with or exposed to oil, grease, water (including salination), chemicals or solvents; damaged or fails to perform as a result of accident, acts of God, lack of reasonable and proper protection during storage or use, overheating, negligence, misuse, vandalism, loading or exceeding the manufacturer's rated or recommended capacity; damage from automated grasper; in contravention of specifically excluded use or any other unauthorized use other than originally

intended, authorized, instructed or beyond the control of Wastequip. This warranty does not apply to normal operating costs and adjustments, including but not limited to adjusting pressure settings, limit switches, timers, relays, fuses, loss of hydraulic oil, cable or filter replacement or normal cosmetic or mechanical wear and tear. Wastequip does not warrant any used Products, which are sold "as is" unless otherwise expressly noted by Wastequip. Further, Wastequip does not warrant any Products that have had serial numbers removed, altered or defaced. Wastequip shall have no liability for any special, punitive, incidental, liquidated or consequential damages, including but not limited to loss of profits, damages to other parts or equipment, cost of capital or interest, any claim for labor charges incurred in diagnosing or replacing a defective Product, towing charges, travel costs, meals, lodging, telephone charges, fuel, storage, loss of use, loss of hydraulic oil, unauthorized repairs, or injury to person or property, to the maximum extent allowable under applicable law. If Wastequip, without separate compensation therefore, furnishes Buyer, Buyer's customer or end user with advice or other assistance concerning any Product or equipment in which the Product may be installed, the furnishing of such advice or assistance will not subject Wastequip to any liability whether in contract, tort (including negligence and strict liability) or otherwise. If any sample, model or demonstration was shown to or provided Buyer, such sample, model or demonstration merely illustrates the general type and quality of Product, and is not to be construed as a representation. If Wastequip authorizes any labor costs associated herewith, such will be solely in accordance with Wastequip established labor rates. Authorization for repairs or related work on Products other than at a Wastequip facility or authorized service center must be through prior written consent by Wastequip; failure to obtain such prior consent shall void this warranty. All claims for reimbursement must be filed with proper documentation no later than forty-five (45) days after occurrence. Travel is not covered in the standard mobile product warranty.

As the exclusive remedy, in accordance with the Wastequip Terms and Conditions of sale and provided such Product is manufactured by Wastequip and deemed by Wastequip to be defective, Wastequip shall, at its sole option (i) repair or replace the defective Product, parts or component(s) thereof at our factory or elsewhere (in our discretion); (ii) provide Buyer with a credit on its account in an amount equal to the original purchase Price of the defective Product; and/or (iii) require that Buyer tender any such claims to the third party manufacturer or supplier of the Product, as applicable, upon which Wastequip may endeavor to assist Buyer or Buyer's customer in resolution. Wastequip will accept warranty claims only from the Buyer or in the event of Buyer's resale, redistribution, installation or other similar action, unless otherwise noted, from Buyer's customer, end user or third party that directly purchased the Product through a legitimate action. Wastequip reserves the right to

examine all Product to determine whether or not the warranted Product qualifies for the exclusive remedy set forth in these Wastequip Terms. No benefits or remedies are available under this limited warranty while the Invoice for the Product remains outstanding.

In any action brought against Wastequip, regardless of the form or forum, Wastequip shall not be liable to Buyer, end user, customer or any third party for special, consequential, incidental, liquidated or punitive damages and, under no circumstances shall any award against Wastequip in favor of Buyer, end user, customer or any third party exceed the amount paid to Wastequip by Buyer for the Product, to the extent allowed by law. Wastequip shall not indemnify Buyer, end user, customer or any third party from potential claims by or against a third party manufacturer or supplier. Further, Wastequip shall not indemnify Buyer, Buyer's customers, end users or any third party against any claims, including but not limited to product liability claims or workers compensation claims. The parties agree that the foregoing remedy is reasonable and does not cause the Wastequip's Terms to fail of its essential purpose.

In the event of Buyer's resale, redistribution, installation or other similar action of any of the Products sold hereunder, in whatever form unless otherwise expressly notified by Wastequip, Buyer shall merely and solely pass the applicable Wastequip limited warranties herein on to Buyer's customer, end user or third party, as applicable, but make no warranty on its own binding Wastequip, third party manufacturer or supplier or any others, and shall notify such purchaser, customer, end user or third party of these Wastequip Terms and disclaimer of any Wastequip warranty, in writing or otherwise.

Buyer and Buyer's customers, end users or third parties assume all risk and liability for loss or damage resulting from the handling, use, storage, disposal or application of the Products delivered hereunder. Further, Buyer and as applicable, Buyer's customers, end users or third parties' shall defend, indemnify and hold harmless and defend Wastequip (and Wastequip's parent company, its subsidiaries, affiliates, successors or assigns and their respective directors, officers, shareholders and employees, individually and collectively "Indemnified Parties") against any and all claims, demands, judgments, loss, injury, death, damage, liability, deficiency, actions, interest, award, penalty, fine, cost or expense, including reasonable attorney and professional fees and costs, and the cost of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers arising out of or occurring in connection with the Products purchased from Wastequip and involving Buyer's and/or Buyer's customers', end users', or third parties' acts, omissions, negligence, misconduct, breach of Wastequip's Terms; or relating to a breach or non-fulfillment of any representation, warranty or covenant under this Agreement by Buyer or Buyer's personnel; alleging or relating to any bodily injury, death of any person or

damage to real or tangible personal property caused by the acts or omissions of Buyer or its personnel and/or Buyer's customers', end users', or third parties'; relating to a purchase of a Product by any person or entity purchasing directly or indirectly through Buyer and not directly relating to a claim of Limited Warranty breach; or relating to any failure by Buyer or its personnel and/or Buyer's customers', end users', or third parties' to comply with any applicable laws or regulations. The right of Indemnified Parties to be indemnified and held harmless under the foregoing shall not be exclusive, but shall be in addition to any and all other rights and remedies to which Indemnified Parties may be entitled under this Agreement or otherwise.

Buyer and/or Buyer's customers', end users', or third parties' agree to familiarize itself and keep informed (without reliance on Wastequip) with regards to any hazards to persons and/or property involved in handling, use, storage, disposal or application of the Products. Buyer and/or Buyer's customers', end users', or third parties' shall advise its employees, customers, independent contractors and others who handle, use, store, dispose or apply such Products of any such hazards. Buyer and/or Buyer's customers', end users', or third parties' represent and warrant that the Products sold by Wastequip will not be used in connection with any applications where failure or malfunction could create a situation in which personal injury or death is likely to, or could occur.
